dur. 5' ca

Jay Anthony Gach

Instrumentation

2 trombones, 1 bass trombone, 1 tuba, 1 timpanist, 2 percussionists, full string section, (+opt. piano/synthesizer)

GANGSTA NOIR is music influenced by the *Film Noir* genre of cinema. Film Noir - mostly shot in gloomy grays, black and white - thematically showed the dark and inhumane side of human nature. Replete with dingy realism, cynicism, doomed love, defeat and entrapment Film Noir emphasized the brutal, unhealthy, seamy, shadowy, dark and sadistic sides of the human experience. An oppressive atmosphere of menace, pessimism, anxiety and a suspicion that anything-can-go-wrong fatalism were all stylized characteristics of Film Noir.
